## Open Position: Colleague for Optics Department (m/f/x)

### Permanent contract, duration unspecified

UltraFast Innovations GmbH is a successful spin-off in Garching, north of Munich. UltraFast Innovations develops, manufactures, and distributes custom optics and devices for ultrashort laser systems applications. Continuous innovation and effective project management, particularly in product development, are top priorities for us. The success of UltraFast Innovations relies on its customer-oriented focus; starting from the first idea to the final delivery of each product including planning and production.

We are looking for a new colleague to join the UltraFast Innovations team as:

### Colleague for Optics Department

#### Your tasks

As an employee in the optics department, you will take on supporting tasks for all technical matters in the preparation of coating projects in the manufacturing process of laser mirrors. You will be an integral part of our international team of employees and actively work on improving internal procedures and processes in product manufacturing. This includes:

- Cleaning of the optical components and their quality control, preparation of the parts for the surface processing
- Carrying out preparatory and accompanying production activities
- Working in classified cleanrooms with appropriate hygiene clothing
- Maintenance and operation of system technology

#### Your skills

- Completed technical education, experience in handling optical components
- Excellent eyesight and skilled use of optical components
- Basic knowledge of using optical measurement methods, processing measurement results
- Quick comprehension, hands-on skills and good fine motor skills
- Independent and structured way of working
- Contact strength and high communicative competence.
- Fluent English and willingness to travel (1-2x per year).
- Previous industrial experience would be a plus/preferred.

## We offer

A challenging, exciting, and varied area of responsibility in which you can bring in and implement your innovative ideas and solutions with a high degree of freedom. As a young and dynamic company, we attach great importance to opportunities for personal and professional growth and support you. A flexible multicultural work environment.

## Contact

We look forward to receiving your application.

Please send us your application documents including a possible start date and your salary expectations to [info@ultrafast-innovations.com](mailto:info@ultrafast-innovations.com)

Dr. Alexander Guggenmos  
CEO

## We are looking for YOU!

Note to agencies:

UltraFast Innovations does not accept unsolicited resumes from any sources other than directly from a candidate and will not pay a fee for any placement resulting from the receipt of an unsolicited offer, even when the relevant candidate is employed.

Agencies must obtain written approval in advance from UltraFast Innovations to submit resumes. UltraFast Innovations will not pay a fee to any agency that does not have a valid agreement for service and in response to a specific job opening.
